

Saturday 12 <sup>50</sup> Noon,  
Dear Cousin — got home  
all right. 4 <sup>10</sup>. Found  
Johnie all right, but  
was disappointed to not  
find Geo. I thought  
such a thing might  
be as he had come  
out the night before.  
but thought if not  
did hope he would  
be here yesterday and  
where I got here  
would find him  
here. Have been  
looking for him  
today to. I had a poor

CM

night last night, but finally got asleep  
and did not come down stairs this  
morning until 7:40. Johnnie hebed  
with the dishes, beat the rugs, took  
the ashes out of the room stove  
and, then went and fixed 2 boxes  
and got the oranges, we <sup>put</sup> packed  
them in papers and they are ready  
to send to Ida and Eddie. Eddie has  
4 3 large ones, Idas 5 2 large ones,  
we are going this P.M. up to the  
station and send them. I had my  
bath and Johnnie is about through,  
then we will eat and go. They  
be ready for by next week.

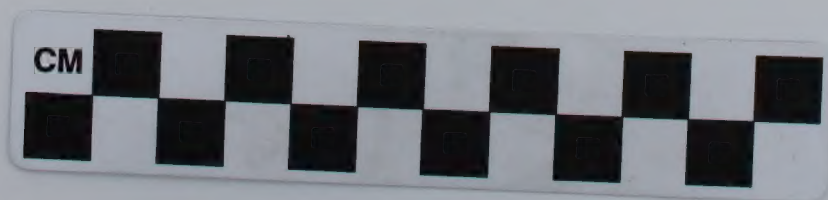

Friday P.M. Taylor was here to get me  
to go to a Funeral in the city. The Wardell  
out here (their neighbor) we belongs  
to the M.E. church out here, had  
a brother to die in the city, and  
wanted Alma to sing and me to  
sing alto. Johnnie told him about  
singing, and he seemed very glad.

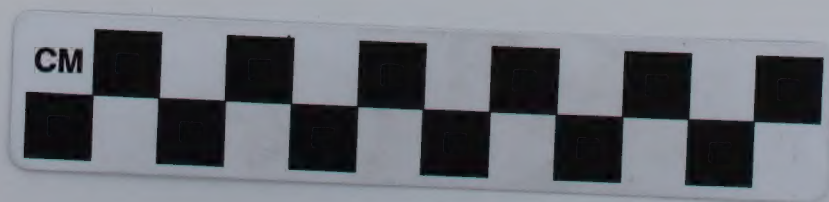

Papa said, He said  
That was fine, the best  
thing we could have  
done, that he would give  
possession as soon as  
possible, and to take  
plenty of time to look  
around, that he would  
move us, and that  
we should go to their  
house for dinner next  
Sunday, tomorrow,  
Getting lovely

I don't think I thanked  
you at all for this  
lovely cottage cheese, or  
milk. Thank you so very  
much. We are having  
a fine time eating it.  
Cooked the apricots, are  
going to have them  
for dinner.

2 P.M.

Dishes washed and  
must finish while  
Papa is hitching up.  
The Apples were delicious  
thank you - but you should  
not have given us one  
of them, or the raisins.  
Shall I keep the flour  
sacks? Hope you are  
getting the dress done  
so soon. I could not  
have furnished them  
forth. This 18 cts I am  
sending is for Helen,  
I did nothing for her  
while there, no dress  
my bowles hurt so last  
night, the good things

you gave me was  
too heavy I guess, but  
it will soon pass away  
and we will have the  
pleasure of good cats,  
we might find some-  
thing and get away  
week after next, I  
hope you can come  
some evening (all right,  
I mean) next week,  
don't get here before 4 or  
5 P.M. as we might  
not be home yet from  
looking for something,  
Hope you are not  
sick from running  
the sewing machine

I, and carrying that  
heavy suitcase. I did  
not know it was so  
heavy. was surprised.  
Love to all Ella.

will get Emma's letter  
tomorrow so you can  
get it when you come.
